

Int'l Appl. No. : PCT/AU03/01006  
Int'l Filing Date : August 8, 2003

### REMARKS

The Specification and Claims have been amended to conform the International application to the rules of practice before the United States Patent and Trademark Office. The changes made to the Specification and Claims by the current amendment, including ~~deletions~~ and additions, are shown herein with deletions designated with a strikethrough and additions underlined. Support for the hybridization conditions added to Claim 2 can be found in the Specification page 24, lines 10-12. Claims 16-21 were added. Support for the added claims can be found in the specification and claims as filed, for example page 19, lines 17-28, and page 55, lines 19-23. As a result of the amendment, Claims 1-21 are presented for examination. No new matter has been added herewith.

### Conclusion

Applicants believe that the current amendments place the application in condition for examination. Should there be any questions which might result in a delay in examination, the examiner is respectfully requested to contact the undersigned at the telephone number appearing below. Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,
